The Nineteen Eighty-Two Prom

Queen, Marla Brenton, escorted by Kirk Caldwell; Court: Kim Thompson, escorted by Jeff Watson; Jamie Taylor, escorted by Neil Crum; Cindy Rule, escorted by Jon Skidmore; Diane Calvert, escorted by Kelly Fudge.

The 1981-82 prom was a great success. It was held at the Moose Lodge on April 30. The juniors decorated the lodge in peach and light blue to depict the theme, "Just Between You and Me." The Best Of Times

With The Underclassman

CLASS OFFICERS: Diana Avery; Treasurer: Mindy Linson; Secretary: Tina Brouse; President: Diane Calvert; Vice-President

The Primary responsibility felt by the Junior Class this year was accumulation of funds to provide a memorable prom for the graduating Seniors. To reach this goal, the class members worked hard for the annual magazine drive and spent many hours at the concession sales at sports event.

The Junior year also was filled with other activities such as participation in the homecoming parade, hall decorations and purchase of class tee shirts.

Most Juniors are looking forward to their Senior year which will culminate eleven years of hard work for them.

CLASS OFFICERS: President, Mike Strunge; Vice-President, Phil Ferrell; Treasurer, Trish Ploughe; Secretary, Amy Holt

The Sophomore year is one of the most exciting years because this is the time when students get their class rings and jackets. During this year, also, students reach the magic age of sixteen when they can get their drivers licenses, and become "liberated."

One point of particular pride for this years tenth grade was that their class member, Brad Hamburg, qualified for the State Swim Meet. Brad was presented with a special tee-shirt from the class.

Money making projects included working in the concession stand at sports events. The funds earned were used for hall decorations and the Homecoming float, which was decorated for the theme "Sandwich the Huskies."

Mr. Ronald Dunn acts as class sponsor for the Sophomores.

CLASS OFFICERS: Melinda Jobe; Secretary, Craig Hartwick; Treasurer, Ellen McDonald; President, Michaele Thompson; Vice-President

The Freshman year means a big adjustment. There is an adjustment to high school classes, several of which are individually chosen rather than being automatically required. Teachers expect more responsibility and maturity, but are willing to allow more freedom too.

The 1981-82 year started out with the excitement of preparing a float for the fall Homecoming Parade. Members promoted class spirit by purchasing class tee-shirts and finally ordering class rings near the end of the year.

A dance was planned but, according to the sponsor, Mr. Griffy, this had to be canceled because of the extensive construction being done to the school.

Although the Freshman enjoyed this first high school year, most are looking forward to their tenth grade with enthusiasm.

In Organizations

STUDENT COUNCIL

One of the busiest groups at Clinton Central is the Student Council which is sponsored by Mr. Haney. Each grade level elects its own representive for the Council.

Members were responsible for Parents Nights for all the athletes at various games. During the football season, they were in charge of the annual Homecoming Parade, the crowning of the queen, and the dance afterwards.

In addition, the Hardwood Queen and dance is a big occasion for them during the winter season. The Sectional hall decorations contest is in their domain too.

The purpose of the activities is to promote school spirit and get the student body involved. Even with their money making projects, the Council encourages student participation. This year, C.C. joined with Frankfort Student Council for a computer Personality Comparison. Convocations for major holidays are due to the efforts of the Student Council too.

This service group is always ready to help public relations. These are the young men and women who act as guides at the yearly Open House and Parent Teacher Conferences. The president, along with class presidents, meet monthly with Mr. Brinson as an Advisory Board to discuss issues pertinent to C.C. pupils. The Student Council exchange days with Frankfort helped to give the Council new ideas while nurturing good will with this neighboring school.

Clinton Central owes much to the fine efforts of those who serve on the Student Council.

NATIONAL HONOR SOCIETY

There are thirty-two young men and women in Clinton Central's National Honor Society, sponsored this year by Mrs. Sue Davis. These students have maintained a grade point average of 3.6 of a possible 4.0 at the end of third semester, 3.5 at the end of their fifth semester, and 3.4 at the end of their seventh semester.

Acceptance for membership is based on scholarship, leadership, service, and character. It is a source of pride for Clinton Central to have so many students achieving such high grades.

The seniors took a trip to Opryland, which is the highlight of the year for these students. To earn the money for this trip, they held weekly bake sales and worked four concessions.

Honor Society members are honored on graduation day with yellow stoles to denote their special academic achievements.

Exchange Students Had the Best of Times at CC.

The Exchange students include (from left to right) Jeanette Jansen from the Netherlands, Gernot Rehra from Germany, Gunilla Biesert from Sweden, and Kevin Uy from the Philippines.

Each year, exchange students from all around the world visit the USA. Clinton Central was fortunate to have as many as four students this year. All of them traveled through the YFU program. Both the host students and the visiting students have benefited by broadening their horizons with knowledge of other cultures and societies.

The students of Clinton Central hope that Jeanette, Gernot, Gunilla, and Kevin have enjoyed their stay here at our school, and we wish them good luck in the future.

ANNUAL STAFF WAS YEARBOOKED

AND ARE DOING TIME

First Row: Cindy Beech, Tina Petre, Heidi DeFord, Brad Alexander, Debbie Davis. Second Row: Jeff Hodson, Gunilla Biesert, Beth Vandevender, Chris Buckley, Rose Maria Tate

The 1981-1982 sponsor of the Ex Libris staff is Mr. Garrison, who is assisted by Mrs. Klein. Together they work with a group of five seniors and four juniors in putting together the annual.

Putting together a yearbook is a much more difficult task than it appears to be. Since the annual is self supportive, there is a lot of work involved in the selling of advertisements.

After the ads have been sold, the grueling tasks of typing typesheets and preparing layouts begins, with the everpressing deadlines to be met.

Few people realize the vast amount of work that is involved, but this year's staff was willing to take on the job so that Clinton Central could have a quality yearbook. Staff members feel the effort was worth the satisfaction of a job well done.

INDIANA'S #1 CHAPTER

Clinton Central should be proud of its fine FFA chapter. This year for the second consecutive year the chapter is #1 in the state. The members of the chapter should be proud of themselves for the fine job in the competition areas. The chapter had 6 state winners. They were: Dairy which placed 10th overall in the national competition, Forestry Lanscaping Demonstration, Parlimentary Procedure which placed in the silver group at national contest, CO-OP award and, Clint Orr won the Home and Farmstead Improvement Award.

Throughout the year the chapter was active in other areas. The chapter cooperates with other organizations (FHA & Sunshine) which in the winter found time to go Caroling. During the year the chapter is involved in judging events, leadership activities and recreational activities. The chapter hopes to stay on top next year and if all goes well they will be #1 again.

The FHA participated in several activities in 1981-82. Early this year, they had a balloon lift-off to spread information about FHA. The lift off was very successful. Balloons even reached to Ohio, and the students received a reply.

Each month the students made treats for the teachers and they distributed cheer baskets full of goodies for the elderly or needy people. The FHA also had a mixer party for the seventh and the eighth graders so they could experience what FHA is all about. At Christmas time, the FHA went to nursing homes and helped the elderly read Christmas cards received, and send out their own cards. They also participated in the "adoption" of an elderly person as a grandmother or grandfather.

The FHA at Clinton Central does a fine job under the excellent leadership of faculty sponsors, Mrs. Thorley and Mrs. Moore.

OEA is a national vocational student organization operating through the public schools to attempt to build status for careers in office occupations.

OEA consists of thirty two Juniors and Seniors who are all majoring in business. The officers for 1981-82 were President Elaine Smith, Vice President Sandy Stroup, Secretary Jamie Taylor, Treasurer Pam McCoy, and Historian Diana Avery.

The activities in which the OEA participated began with the District Contest in Frankfort. Three students that placed were Pam McCoy, who placed first in the Clerical II; Cheryl Linson, who placed fourth in Accounting II; and Mary Hicks, who placed fifth in Accounting II. Pam McCoy was one student who advanced to State at Indianapolis where she placed third in the state. The OEA sold class T-Shirts as a money making project. Another popular OEA project was the 6th Annual Style Show, which was again a great success.

Back Row: Natalie Molher, Teresa Richie, Becky Powell. Front Row: Sandy Stroup, Brenda Hofmann (Queen), Elaine Smith.

The Sunshine Society, under the guidance of Ms. Skertich and Ms. Crellin, participated in many activities. New this year is the Peanut Pal. Peanut Pal is an activity in which girls are given a secret pal to whom they send treats throughout the year. At the end of the year, the girls have a party at which they meet theirp pals.

Other activities include the Sunshine Dance, an annual event which the girls enjoy. Before the dance, however, there is the candy sales. In order to go to the dance, the girls must sell a certain amount of candy. Selling the candy is no real problem, because most people are more than willing to purchase it.

Other activities are Caroling Party, Rock-A-Thon, S.O.S. for Holidays, Daddy Date Night, ideal Lady Tea, and the State Convention in Attica.

Art Club Is "Drawn" Into Good Times

The Art Club, sponsored by Mr. Campell, is composed of art students in grades 10, 11, 12, and serves to further enrich the student's appreciation for aesthetic qualities.

Some activities are the initiation of new members at the beginning of the school term, Christmas Caroling in December, and a field trip to Indianapolis Art exhibits, including the Museum of Art. The big event is the exhibition of student work in April. This year, students painted Christmas designs on the glass doors for the Critical Care patients at Clinton County Hospital.

Special recognition was given to Tammy Cheek for having a pencil sketch accepted in the Scholastic Art Awards show for which she received Honorable Mention.

Tammy also placed first in the state with her poster to encourage hiring the disabled. This contest was sponsored by the State Board of Health. She and her parents had dinner with Governor Robert Orr.

When fans go to a Clinton Central basketball game, the first thing they notice is CC's excellent Pep Club. This year, the club has encouraged our football and basketball boys to many impressive efforts with their enthusiasm. Members have been occupied making locker signs for twelve different sports. At Sectional time, the club painted pictures of the basketball team on the office windows, which was successful in drawing attention to the team.

The club sold buttons and worked in the concession stand twice to raise money for paper, supplies, and half the expense of attending the varsity cheerleading camp.

Congratulations go to the Pep Club and its sponsor, Mrs. Siegfried, for spreading the Bulldog's Green and White spirit throughout our school and the community during the '81-'82 school year.

STUDENTS ENJOY SPRING BREAK IN MEXICO

An exhausted Lori Davis after climbing the Pyramids.

Diana and Curtis enjoying their meal at Xochimilco.

Bright and early on March 18, 1982, thirty-one C.C. students left Indianapolis International Airport for the beautiful and warm country of Mexico. Their first stop in Mexico was the capital, Mexico City. The students learned what life in a big city was like during their three-day stay there. They also saw many sights which included the Zocalo, National Cathedral and Palace, and the Virgin of Guadalupe. The students had the tiring but exciting experience of walking up the 226 steps to the top of the Pyramid of the Sun at the Pyramid city of Teotihuacan. Two other very beautiful sights that they had the chance to see in Mexico City were the 1968 Olympic Stadium and Chapultepec Park.

On Sunday morning after seeing the Ballet de Folklorico, the students departed via bus for the lovely floating gardens of Xochimilco. They ate a box lunch while they enjoyed a trip down the canal in gondola cars. After three long hours on the bus, the students arrived in Taxco. They had a chance to try their hand at bargaining with the town merchants while shopping for Taxco's world-renowned silver. After spending two days in Taxco, the students packed their suitcases and headed for the sunny resort city of Acapulco.

Most of the students' time in Acapulco was spent soaking up the sun on the beach. They also enjoyed an evening at the Plus 1 disco and a two-hour cruise on the yacht Fiesta. After the cruise, the students enjoyed watching the expert cliff divers at La Quebrada. On Thursday morning, after spending one very fun filled week together, the students reluctantly left sunny Acapulco for Indiana with their sunburns, memories, and souvenirs. Although they had to leave Mexico behind, the memories that they created there will never be forgotten.

BULLDOGS HANDLE THE HUSKIES

Cross Country has a Successful Season

Coach Thompson and Greg Russell were prepared for the Semi-State.

The Cross Country team had a very successful season. They were seven and three in dual meets. At the invitationals, Central's team was eighth at Delphi, fourth at Frontier, third at Carroll, and third in Clinton Central's own. In Conference, Central came in second, the highest ranking ever achieved by the Bulldogs. Clinton Central's team members finished third in the Sectionals.

Senior members on the team included Greg Russell, Kevin Johnston, Mike Musante, and Alva Alter. The seven fastest runners on the team advanced to the Regionals. Greg Russell later competed at the Semi-State.

When asked how he liked coaching this year's Cross Country team, Mr. Thompson replied, "It was a very fun season."

Coach Barnett, T. Kelly, C. Buckley, S. Sanders, M. Barnett, T. Richey, K. Zook, L. Moore, G. Biesert, Mgr. L. Rayl, C. Kelly.

The girls Varsity Volleyball team had an excellent season with a 5-2 Conference record and a 15-5 overall season record.

The team was very experienced with five seniors contributing to the success. One accomplishment that brought a lot of pride to the girls was being able to turn last year's 5-13, 1980-81 tally into this year's winning season. They were also very happy about their third place status in the Conference and the second place finish in the Sectional, bowing only to Clinton Prairie.

The Junior Varsity team consisted of young, talented girls who will round out the Varsity team for next year. The JV girls enjoyed a winning record of 9-5 which makes Coach Barnett optimistic for next year.

Coach Barnett's team is looking forward to the 1982-83 season with five returning letter winners and three award winners.

C. C. Girls Swim To The Best Of Times

With four talented seniors, Karen Brinson, Debbie Davis, Wyndi Hodson, and Candy Zook, the 1981-82 swim team accomplished a second consecutive winning season. The girls took great pride in overpowering Frankfort 104-68 for the first time in four years. Clinton Central girls have proved that they are not to be taken lightly, and that dedication pays off.

Changing Sectional sites gave the team a chance to compete against girls of the same ability. Some particularly outstanding performances were given by Kim Humburg, Karen Brinson, Tya Clark, and the relay teams. C.C.'s standing was fifth of eleven schools participating.

Row one (left to right): M. Davis, E. Thompson, S. Kinsler, N. Marshall. Row 2: B. Davis, R. Houchens, M. Trenary, B. Humburg, D. Stewart.

School records were smashed regularly as the CC boys swam their way through the season. As the season progressed, individual records were broken thirty times and relays were broken ten times. In addition, Brad Humburg set two Rangeline Conference records in the 50 freestyle and the 100 freestyle. Brad was also the first swimmer to advance to the State Swim Finals.

Concentration on individual achievements this year really paid off for the team. The CC swimmers ended the season with a lot of enthusiasm for the future.

WRESTLERS PIN TO WIN

Greg Summers, Jessie Davis, Chris Burns, Jimmy Austin, David Lawler, Brian Turner, Todd Newell, Kenny Dunham, Tony Bowman, Tim McQuinn, Rodney Reed, Coach Moe, Mike Lawler, Kevin Watkins, Glen Orr, Jeff Cheek, Toby Leazenby.

Coach Greg Moe is extremely proud of the Bulldog wrestlers. The team has improved in many ways. All thirteen weight classes were filled this year compared to five last season. A school record was set when six boys qualified for the Regionals. In addition, two wrestlers, David Lawler and Chris Burns, advanced to the Semi-State Contest. David Lawler went even farther to the State Contest in Market Square Arena in Indianapolis.

After the Hamilton Heights triple-dual in mid-season, the team seemed to make a turn around mentally, gaining confidence in their ability. They ended the year with a creditable 7-7 record. Because they won over Frankfort and Clinton Prairie, Coach Moe considers C. C. Wrestlers to be county champs.

The wrestling program is constantly improving each year and receiving more and more status and recognition.

The Clinton Central basketball team enjoyed a fine season with an unblemished 7-0 tally in the Rangeline Conference. This is the third year in a row the Bulldogs have gone unbeaten in their conference. The Bulldogs finished with an overall record of 15-6.

The team had several strengths. Coach Sloggett expecially praised his team's shooting prowess and ability to concentrate while on the floor. The team had a lot of leadership with five seniors paving the way. They ran into a much improved Tipton Blue-Devil team in the Sectional and lost in a very close game.

Coach Krober's JV team had a 13-7 overall record and won the North Montgomery Tourney.

Both coaches expressed general satisfaction in the performance of the teams and felt pride in the spirit that all the boys brought to each game.

With the Junior High

Coming from the elementary school to the very different atmosphere of the High School building can be a shocking experience for seventh grade students. They are no longer the "big kids," but rather feel that they are starting again at the bottom. Loaded with books, trying to change from class to class in a strange building, knocked about by giant Juniors and Seniors, seventh graders often feel they will never survive, but soon they like the freedom of their new school life.

Both the boys and girls had winning basketball seasons, and numerous students received academic honors.

8th Grade

The biggest thrill for an eighth grader is the knowledge that they will be making the transition to a high school status. This freedom to choose classes and decide the direction of vocation brings a lot of responsibility, but most eighth graders like this grown-up feeling.

Highlights for this year included a class party. Money for this party was earned by selling concessions at ballgames. They also took part in the Homecoming parade in the fall.

Three Senior girl tracksters capped their running career by capturing first places in the sectional track meet. The trio shattered school records in their specialities to become Central's first girl sectional winners. All were eliminated in the regional meet, but Padgett and Brinson finished fifth for an impressive showing. Padgett tossed the discus 113 ft. 11 inches, Taylor skimmed the low hurdles in 15.28, and Brinson sailed 17 ft. 4¾ inches in the long jump.

We can even make going off to college a little easier.

If someone in your family has gone away to college, you know how difficult it can be to send cash when it's needed most.

Now, with the SHARE SYSTEM℠ Network, we can help you get cash to your son or daughter, quickly and easily.

Just open a joint checking account with us. Open the account in your name, and in your student's name.

You can make deposits right here at home. With our CASH COMMANDER Card, your son or daughter can get cash from any SHARE SYSTEM℠ bank machine near them.

There's none of the hassle of trying to cash an out-of-town check. There's no worry about late mail, loss or theft.

And the SHARE SYSTEM℠ Network is convenient, because there are members in the same cities where you'll find many of Indiana's Colleges and Universities.

In fact, there are SHARE SYSTEM℠ bank machine locations near all of the following campuses:

Ball State University, Muncie
Bethel College, Mishawaka
Butler University, Indianapolis
Clark College, Indianapolis
DePauw University, Greencastle
Franklin College, Franklin
Indiana Central University, Indianapolis
Indiana University-Purdue University at Indianapolis
IU-Kokomo
IU-South Bend
Indiana Vocational-Technical College, Indianapolis and Muncie
Marian College, Indianapolis
Notre Dame University, South Bend
Purdue University, West Lafayette
St. Mary's College, South Bend
Wabash College, Crawsfordsville

The SHARE SYSTEM℠ Network. Banking that goes wherever you enroll, all over Indiana.

And so, the Best of Times becomes a page in the book of memories that flood the mind as we recall the events of the year. As Longellow so aptly put it,

Enjoy the spring of love and youth,
To some good angel leave the rest;
For time will teach thee soon the truth,
There are no birds in last year's nest.
